

Aloha Artists!

Welcome to the May newsletter! Happy Mother's Day to all those who are celebrating today!

WORKSHOP

This is super-late notice, so please act immediately if you want to go:

Lynne Boyer 4 day Plein-air Artist Workshop starting TOMORROW!

Date: May 15th - 19th, 2017

Expired info

This four day workshop allows students to learn the basics of plein air painting at some of Oahu's most picturesque beaches. Whether you are a budding artist still learning the basics, or a more advanced painter, this is a unique opportunity to enhance your skills. Benefit from one on one attention and explore Oahu's natural beauty. This workshop is limited to 8 students allowing for plenty of individual attention.

Please keep in mind that I usually post workshops on Facebook and the windwardartistsguild.org site as well, so please check these two online sources of info regularly since I sometimes post opportunities there weeks before I get a chance to compose another newsletter!

JOB LISTING

We have an unusual item, which is a job offer to post that is specific to artists.
