

# COLLAGES & a bit of CLAY at the HONOLULU COUNTRY CLUB GALLERY

## WHAT:

This exhibit showcases collages & fine craft items created by a fun group of artists who get together twice a month at Ho'omaluhia Botanical Gardens in Kaneohe. Susan Rogers-Aregger leads these studio times & also conducts paper dyeing & collage workshops at Ho'omaluhia.

Some of the fine clay creations and collage lamp shades are done by Barbara Guidage, who teaches wheel throwing, glazing, and Raku techniques at Makua Ali'i City & County Ceramics studio in Waikiki. Other pieces in the show combine clay, collage, and wood for wonderful mixed media creations!

## WHERE:
